

# Fabricated Display Shapes

## Molded Polystyrene Insulation.

ThermaFoam R-Control molded polystyrene insulation includes an ingredient you won't find in other molded polystyrene products. Control. ThermaFoam R-Control insulation gives you control over the design of your project. You determine the shape and specs of the molded polystyrene components you need, then your ThermaFoam R-Control insulation supplier works with you to deliver them on time and within budget.

Molded polystyrene is an amazingly strong and versatile material. Consisting of over 95% air, ThermaFoam R-Control insulation is available in a range of Types to provide the properties needed for your design. ThermaFoam R-Control insulation is compatible with a variety of coatings and treatments to create extraordinary visual effects.

ThermaFoam R-Control insulation shapes are custom fabricated by hot wire cutting with computer aided design, and if necessary, assembled together to provide a solution specific to your needs.

ThermaFoam R-Control insulation means that you can achieve product designs that wouldn't be possible with other materials.

## FOAM FACTS: ThermaFoam R-Control Display Shapes.

- CAD design and assembly can create effective 3-D display shapes
- Computerized fabrication equipment
- Well suited for lower volume items
- Available in a range of strengths
- Lightweight - reduces shipping costs
- Compatible with multiple finish coatings

**Recyclable.**

After it's life as a fabricated shape, ThermaFoam R-Control is 100% recyclable. It can be ground into granules and reincorporated into new ThermaFoam R-Control products or it can be thermally processed into a resin that's used to manufacture other new products.

**Ready to take control? Start here.**

If you're ready to have ThermaFoam R-Control contribute to your next project, just contact your ThermaFoam R-Control Technical Sales Representative. They will be happy to give you design consultation, information about ThermaFoam R-Control products, pricing, and answers to all of your questions.
