Jacksonville, AR 72076

Limited Warranty. ThermaFoam R-Control, LLC hereby warrants that for a period of ten (10) years, commencing with the date of delivery (the "Warranty Period"), that the ThermaFoam R-Control Geofoam product will maintain 90% of its ASTM D6817 Compressive Resistance at 1%. If, during the Warranty Period, the ThermaFoam R-Control Geofoam is determined by sampling and testing (conducted as provided below) not to meet warranty value, the ThermaFoam R-Control will either deliver to the owner ("Owner") of the project on which the Geofoam was initially installed a quantity of equivalent ThermaFoam R-Control Geofoam product to replace the non-performing ThermaFoam R-Control Geofoam or, at the ThermaFoam R-Control's sole discretion, refund to the Owner the original purchase price of the non-performing ThermaFoam R-Control Geofoam. The ThermaFoam R-Control's maximum liability for any warranty claim shall not exceed the original purchase price of the ThermaFoam R-Control Geofoam.

THE WARRANTY IS IN LIEU OF ALL OTHER GUARANTEES AND/OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, AND SHALL NOT BE EXTENDED OR ALTERED EXCEPT BY WRITTEN INSTRUMENT SIGNED BY THERMAFOAM R-CONTROL AND THE OWNER. THERE ARE NO WARRANTIES AND/OR GUARANTEES WHICH EXTEND BEYOND THE TERMS AND PROVISIONS SET FORTH IN THIS WARRANTY.

Conditions. ThermaFoam R-Control's obligations under this Warranty will only take effect if the ThermaFoam R-Control Geofoam was installed in strict accordance with all applicable ThermaFoam R-Control Geofoam specifications, recommendations and guidelines which were in effect at the time of such installation and all invoices for the ThermaFoam R-Control Geofoam have been paid in full. This Warranty shall be void if, in the ThermaFoam R-Control's sole judgment, the ThermaFoam R-Control Geofoam's performance has been impaired by either damage or alterations to the ThermaFoam R-Control Geofoam without obtaining prior written approval from the ThermaFoam R-Control.

Exclusions. ThermaFoam R-Control does not warrant the compatibility of any other product (including but not limited to any membranes or coatings) with the ThermaFoam R-Control Geofoam, and does not assume any liability for any incidental, consequential, exemplary, special or punitive damages, including (but not limited to) incremental costs and any other harm to persons or property.

Sampling and Testing. All sampling shall be conducted in accordance with sampling procedures prescribed by ThermaFoam R-Control, and samples of the ThermaFoam R-Control Geofoam shall only be taken in the presence of an authorized ThermaFoam R-Control representative. Testing of ThermaFoam R-Control Geofoam samples shall be in accordance with ASTM D6817, or the then closest ThermaFoam R-Control's approved effective equivalent thereof. ThermaFoam R-Control Geofoam samples shall be conditioned to equilibrium prior to testing. All sampling and testing costs (including but not limited to costs of ThermaFoam R-Control Geofoam covering removal and replacement) shall be at the Owner's sole expense.
